

## Come Out of Babylon

Lyrics ©2018 by Dan Curtis

(to the tune of "All Along The Watchtower")

There must be some kind of way outta here  
Said the believer to the sheep  
There's too much confusion  
we must escape the beast.

Babylon is all around;  
do not be of the earth  
be renewed within your mind  
in your heart believe his word

Yod Hey!

No need to walk uprightly now  
The beast he kindly spoke  
There are many here who think they're saved  
Because they went to church  
But, uh, but you and I, we've been through that  
We can no more partake  
Prophets must stop teaching falsely now  
Yahshua is the way!

Come out of Babylon!  
Her princes hid the truth;  
all the believers led astray;  
she killed the prophets too!  
Now he has been cast down  
The beast begins to growl  
Four riders are approaching  
And the time to flee is now!
