

The Son of Man

Lyrics ©2024 by Dan Curtis
(to the tune of Comfortably Numb)

Hello? Hello? Hello?
Are you in the wilderness
to fast for forty days
and now you need to eat?

Come on - now
If you are the son of man
command these stones be bread
that you may eat again

In fact
If you should throw yourself down
With angels keeping watch,
you know you won't be hurt.

You lead astray, you are deceiver!
A twist of truth spoke on the wings of pride.
You are brought down low into Sheol.
Your lips move, but none will hear your cries.
Behind me haSatan, you deceiver.
A man does not live by bread but truth

It is written in the word of Elohim
You shall not tempt, but worship him
and this is what I've done

And I--- have become the Son of Man

Okay
Just a little question
You see the world below
And the glory of it all?

Understand this,
If you will but worship me
I will give you all
and kings will bow to you

You lead astray, you are deceiver!
A twist of truth spoke on the wings of pride.
You are brought down low into Sheol.
Your lips move but none will hear your cries.

As I give my life
not for worldly things,
but save the lost of Israel

for unto them a light is shone
Though once they lived in darkness now

the truth is known, Belief has grown

And I--- have become the Son of Man
